

## Cheng-Han Hsieh

No. 128, Sec. 2, Academia Road, Nankang, Taipei, Taiwan 115  
+886-27872100 james0502@gate.sinica.edu.tw

### AREA OF EXPERTISE/SKILLS

#### Pharmacognosy and Phytochemistry:

- Plant secondary metabolites extraction and purification.
- Optimization of qualitative and quantitative analysis conditions.
- Natural product identification and structure elucidation.
- Natural product biosynthetic pathway elucidation.

#### Technical Skills:

- NMR spectroscopy, Mass spectrometry, Liquid Chromatography (MPLC, HPLC)
- Gaussian 09, SIMCA-P+

#### Pharmacist Certificate

### WORK EXPERIENCE

03/2016 – **Research Assistant**, *Agricultural Biotechnology Research Center, Academia Sinica*, Taipei, Taiwan  
present

04/2015 - **Substitute Military Service**, *Ministry of Health and Welfare*, Taipei, Taiwan  
02/2016

### EDUCATION

09/2013 - **MSc in Pharmaceutical Science**, *National Taiwan University*, Taipei, Taiwan  
01/2016

- Master's thesis: Studies on the Nortriterpenoids from the Stems of *Schisandra arisanensis*

09/2009 - **BSc in Pharmacy**, *National Taiwan University*, Taipei, Taiwan  
06/2013
